### THURSDAY, JUNE 4 Yoga - 6pm - 8:30pm

Join us at Hard Labor Creek for an evening of yoga and connection with your fellow Montessorians. We will start the evening with yoga to ground, stretch, balance and connect with some friends. Please bring a yoga mat and if you have blocks, please bring those too. Following yoga we will have time to socialize, heavy appetizers, wine, and soft drinks.

### FRIDAY, JUNE 5 Fierce Conversations - 9am - 3pm

Since 2001, Fierce has empowered 2.5 million leaders to overcome hurdles by addressing the single leading cause: ineffective or non-existent conversations. Every single business and personal goal you have is powered by conversations.

# FIERCE CONVERSATIONS

**Achieving Success in Work  
and in Life, One  
Conversation at a Time**

Better interpersonal communication creates a stronger culture that reduces stress and increases performance on the individual and team level.

Fierce exists to strengthen human to human connection. We partner with our clients to transform organizational cultures by building conversational skills that spark curiosity, ignite innovation, invite cross-boundary collaboration, and solve their toughest challenges.

### SATURDAY, JUNE 6 Rhonda McKay 9am -1pm
